13. Communication Engineering
14. Electrical Information Engineering
15. Automobile Service Engineering
16. Observation Technique and Equipment
17. Vehicle Engineering
18. Automation
19. Energy and Power Engineering
20. Material Shaping and Controlling Engineering

Guilin University of Aerospace Technology

Guilin University of Aerospace Technology is located in the historical and cultural tourism city - Guilin YaoShan scenic spot. The school adhering to the spirit of space, depending on the space of running a school, relying on the industrial promotion, formed in the course of teaching and research activities of production integration, integration, technology integration and other significant characteristics.

Founded in 1979, located in beautiful Yao Mountain Scenic Area of Guangxi Province's Guilin, Guilin University of Aerospace Technology (GUAT) was operated by the former Aerospace Ministry of China, and is a public undergraduate university offering Bachelor and higher education diploma programs in not only Engineering and Technology, but also Management, Business, and Arts.

China University of Mining and Technology

is a national key university under the direct supervision of the Ministry of Education of China, and a Project 211 and Project 985 platform (in terms of mining) university of China. The university is ranked as the best mining university in China and has a worldwide reputation in coal mining technology and research. It has two parts: the main campus located in Xuzhou, Jiangsu Province which is called China University of Mining and Technology (CUMT), and a second campus located in Beijing (China University of Mining and Technology, Beijing, CUMTB). The latter used to be the Graduate School of CUMT. CUMT is a leading multi-disciplinary polytechnic university with mining features.

Guizhou Minzu University

Guizhou Minzu University was founded on May 17, 1951 under the jurisdiction of the People's Government of Guizhou Province. As one of the first minorities-oriented universities in China, it is a key provincial higher education institute sponsored jointly by the People's Government of Guizhou Province and the State Commission for Nationalities. Guizhou Minzu University received a straight-A score in the undergraduate level Teaching Appraisal organized by the Ministry of Education. The university is located in Huaxi District of Guiyang City, a scenic spot with green mountains and bright waters renowned as "Pearl of Yunnan-Guizhou Plateau". The campus of Dong Jiayan is across from a national wet land park which covers an area of 883,100m², another campus in construction covers 1000,000m². The university has a total construction space of 1883,100m². There is a collection of 1.87 million printed publications and 27,648 GB e-books in the University Library.
